

## The Kingsford

28' x 44' with 2 Offsets — 2,554 Sq. Ft.

A beautiful log home exterior with three upstairs dormers and a downstairs morning room completely surrounded by windows make the Kingsford fit for a "king" and his family. Two upstairs bedrooms, one with a dressing area, a study with open view into the cathedral ceiling living room plus a downstairs master bedroom with a large unique master bathroom, give this model all the amenities of luxury.

3 Bedrooms, 2½ Baths—2,554 Sq. Ft.
