

## The Norway

24' x 52' with Pointed Alcove = 2,776 Sq. Ft.

Contemporary exterior appearance makes the Norway suitable for any location, be it deep in the woods, or overlooking that beautiful lake of your dreams. Large 19 x 26 living room, closeness of the kitchen and dining room plus the large deck, make this a natural enter-

tainment center for your friends. Great for the larger family with five bedrooms, three down and two up. Skylight, walk-in closet and dormers are additional features of this contemporary home. 5 Bedrooms, 3 Baths—2,776 Sq. Ft.
