

The Princeton

36' x 52' 3,340 Sq. Ft

FIRST FLOOR PLAN

SECOND FLOOR PLAN

The perfect home for lakefront or view locations. Virtually all the living areas face the front. A large 62' deck across the front of the house enhances the frontal views. The master suite is highlighted by the walk-in closet and hot tub in the master bath. A home that has everything... just add the family.
